Delivering More Than Just Procurement

Quality Assurance

Every part/equipment is meticulously inspected for quality and compliance before shipping. With careful packaging and the ability to meet your specific requirements, we ensure a smooth delivery to your facility.

Competitive Pricing

Roshen delivers exceptional cost savings. Our strong alliances with leading OEMs across Europe, North America, and Asia allow us to offer you better rates than direct purchases from the manufacturer.

Flexible Payment Terms

Roshen offers flexible payment terms tailored to your business needs. Whether it's extended plans or customized invoicing, we work with you to create a structure that supports your cash flow, ensuring a smooth procurement experience without financial strain.

Faster Lead Times

Experience faster lead times with Roshen's optimized logistics. We streamline the supply chain to reduce delivery times, ensuring efficient, reliable deliveries that help you meet deadlines and keep operations running smoothly.

Consolidation Solutions

Streamline procurement with our consolidation services. We combine multiple small items from various manufacturers into a single order, reducing admin work and boosting efficiency.

Swift Response

At Roshen, we prioritize your time. We provide prompt RFQ responses, often within 24 hours, and ensure you're kept in the loop with weekly order status reports, offering full transparency on delivery progress.
